FORK IN THE ROAD

back

Our Story:

We started out in May 2011 as Trailer Park'd, a food truck (trailer) focusing on farm fresh food. We soon realized that our passion for serving food with integrity had grown beyond the trailer, and we opened Fork in the Road in November 2011. You can still find Trailer Park'd at local farmer's markets during the warmer months, and we also offer private catering. For more information, find Trailer Park'd on Facebook and Twitter.
